Support Supplies for Success

Challenging economic times have hit Israel as well as Chicago. Sadly, 30% of Israelis in JUF's Partnership 2000 Region, Kiryat Gat-Lachish-Shafir, live below the poverty line. Despite hard work to make ends meet, these Israeli families cannot afford many basic necessities—including their children's school supplies. This year, all dollars raised through Israel Solidarity Day will be used to equip these students for the 2010 school year.

Ask your friends, family, and neighbors to sponsor your participation in the Walk with Israel!

Visit www.juf.org/walk, print out a sponsor sheet, and collect money from your sponsors.

Manage your funds raised online, send them in to JUF, or bring them to Israel Solidarity Day on Sunday, May 2.
