

For Immediate Release:

Annual Synagogue Picnic and Torah School Registration

July 20, 2014, Elgin, Illinois

Congregation Kneseth Israel will be holding its annual picnic on August 3rd, 2014 from noon until 3:00 pm at Randall Oaks Park. President Joe Rosenfeld, when asked about the purpose of the picnic stated, "Things feel slower over the summer, and the picnic is a way to signal the beginning of an active period in Jewish life. The Religious School is getting ready to start, and some of our holiest days are on the horizon."

Current members or those considering membership are invited to attend. The Religious School is providing hot dogs. Attendees are encouraged to bring any additional food they may desire. Nina Finn, CKI's Director of Education stated, The picnic is a nice, informal way for people to re-establish contact. It is also an easy way for those unfamiliar with CKI to get questions answered and meet the current members."

The picnic is being held at Randall Oaks Park, which is on the west side of Randall Road, North of Route 72. Watch for the CKI banner. Randall Oaks Park also has a petting zoo.

All current congregants as well as new and prospective members are welcome. Reservations would be appreciated. To make a reservation or to talk with Nina Finn call 847-741-5656 or email cki@ckielgin.org. Membership materials will be available as well as school registration forms.

(CKI) serves the diverse Jewish Community of the Greater Fox Valley area. We offer weekly services, a religious school, observance of all lifecycle events, and a variety of additional programming.
